

HARSHITHA YAJAMANAM [B. Tech]

CAREER OBJECTIVE:

I believe in 3D formula. One can reach greater heights in life by following Discipline, Determination, and Dedication. And here I am with all my skillsets and efforts leading my blissful days. But as a wise man said, “The only true wisdom is knowing nothing”, hence I am in thirst of exploration.

Academic Background:

2024 B. Tech (78%) in Computer science engineering (Data Science) [CDS].

2018-20 11&12 classes (77.5%) [MPC].

2018 SSC (92%).

Technical skills:

- **Programming languages:** Python, C language. Basics of Java
- **Web development:** HTML, CSS
- **Data Base Management systems:** SQL.
- **Designing:** Graphic Designing

EXPERIENCE:

- Worked as an internship and learnt the Extracts and Organizes data using various scientific methods and algorithms in Data Science at <http://www.teachnook.com>

PROJECTS:

- **Automatic Car Rent Collector**

The goal of this is to create a website where customers can book their automobiles and request services from anywhere in the world. Car fares are a sum of time, distance and any applicable surcharges that could apply. However, Taxis have tiered pricing depending on the time of day. Thus, don't get surprised if you see a different fare on the same trip in the morning vs. late evening hours.

- **Countdown Timer by using Python**

In this, I built a countdown timer in python. We added Start, Stop and Reset features to this timer. The users can start or resume the timer and pause it too. It is very easy to use because of its graphical interface, which is managed by python tkinter library.

- **Website Designing**

In this, I built a website with a backend (Data Base) to store our college data regarding any project works.

Courses/Certifications:

- Course on **Data Science** provided by **Teachnook**.
- **Crash Course on Python** an online non-credit course authorized by **Google** and offered through **Coursera**.
- **INFOSYS SPRINGBOARD** certification in **Python** for **Data Science**.

Other participations:

- Provided my services for “the **IDEA LAB – the innovators club**” of our college as the **president**.
- Worked as an organizer and host (**anchor**) at Gates Institute of Engineering and Technology (2021, 22,23) for **multiple occasions**.

➤ **Team Lead of Graphic Designing & Technician:**

Monitoring the regular activities & Designing the new flyers for daily programs. As a Technician, Analyse and maintaining the On-Air server. Troubleshooting the server problems.

Language Proficiency:

English (Speak, Read, write)
Telugu (Speak, Read, write, native)
Kannada (Speak, Read)

Interests:

Drawing
Flyer Designing
Gardening

Contact Details:

Address: #3-537, Somanath nagar, Anantapur -515004, Andhra Pradesh.

Ph. No: +91 89199 48172
